## Sidney W. and Janet R. Bijou Fellowship Program

### Application Deadline: March 1, 2003

#### Origin

In December 1996, Dr. Sidney W. and Janet R. Bijou donated a substantial amount of money to SABA to establish the *Sidney W. and Janet R. Bijou Fellowship Program*.

#### Fellowship Objective

The objective of the Sidney W. and Janet R. Bijou Fellowship Program is to enable doctoral students to study child development from a behavior-analytic perspective.

The Fellowship will provide a grant for one student per year in a doctoral program in psychology or education, in which it is possible to conduct research in behavioral child development. For the academic year of 2003-2004 the Fellowship will provide a grant of \$3,000. The recipient may apply for renewal of the Fellowship for one additional year.

#### Criteria for Applicants

##### *GPA and Letters of Recommendation*

Applicants must have a high Grade Point Average (GPA), or equivalent, and must obtain at least two letters of recommendation in support of their application.

##### *Professional Commitment*

Applicants must be committed to the study and research of child development from a behavior-analytic perspective.

##### *Academic Level*

Applicants must be enrolled or have been accepted as a first or second year student in a doctoral program in a department of psychology or education, in which there are a sufficient number of behaviorally oriented faculty members to sponsor and supervise research in child development.

***Applicants may not apply for the Bijou Fellowship and the SABA Experimental Fellowship in the same year.***

##### *Nationality of the Student and Location of the Program*

There are no constraints on the recipient's nationality or on the country in which the university is located.

#### Selection Procedure

The SABA Board of Directors constitutes the Fellowship Selection Committee. The SABA Board consists of the full members of the ABA Executive Council and SABA's Secretary-Treasurer.

The Fellowship Selection Committee will select the applicant at the Spring Board Meeting. The Fellowship recipient will be announced during the SABA Awards Ceremony in the opening event of ABA's Annual Convention and the recipients name will be published in *The ABA Newsletter*.

#### Application Procedure

##### *Application Documents*

Those students who are interested in applying for the *Sidney W. and Janet R. Bijou Fellowship Program* should submit the following documents to the SABA office:

- ◆ A résumé or curriculum vitae.
- ◆ A one-page, typed description of the applicant's professional objectives.
- ◆ A description of the doctoral program in which the applicant is enrolled, including a list of courses in child psychology with instructors' names, and a list of topics in child psychology being currently investigated, if any.
- ◆ A transcript or other record of GPA.
- ◆ Two letters of recommendation.

##### *Deadline for Submissions*

Fellowship applications for the 2003-2004 academic year must be received at the SABA office by March 1, 2003.

# INSTRUCTIONS FOR CONTRIBUTORS

## CONTENT OF *THE BEHAVIOR ANALYST*

*The Behavior Analyst* contains general interest articles on theoretical, experimental, and applied topics in behavior analysis. Articles on the past, present, and future of behavior analysis, as well as its relation to other fields, are particularly appropriate for the journal. *The Behavior Analyst* also publishes literature reviews, discussions of previously published work, reinterpretations of published data, and articles on behaviorism as a philosophy that are suitable to the general readership of the journal. Basic and applied experimental studies with original data, as well as technical articles on philosophy, should be submitted elsewhere.

## GUIDELINES FOR SUBMISSION

1. Submit an original and four clear copies of the complete manuscript.
2. The title page of each copy should include only the full title. The author(s) name(s), address(es), and any other identifying information must be omitted.
3. Provide three copies of a separate sheet including (a) any footnotes to the title (e.g., regarding acknowledgments), (b) the proper authorship and affiliation(s), (c) any footnote(s) to author name(s), (d) E-mail address, and (e) a list of at least four to six key words for indexing purposes.
4. You may also provide the names and addresses of three to five people outside of your institution whom you would recommend as qualified reviewers of your manuscript.

## EDITORIAL REVIEW

1. All manuscripts will be considered for suitability for publication in *The Behavior Analyst* by the Editor.
2. Reviewers are not sent the name or the institutional affiliation of the author.
3. Reviewers are selected by the editor handling the manuscript. At least three reviewers are selected, one or

more from the Editorial Board and the remainder selected as guest reviewers appropriate to the manuscript. Reviewer comments will be returned with any marked manuscripts and the editorial decision within approximately three to four months.

## STYLE

1. Use the active voice in preference to the passive voice. The active is usually shorter and more lively to read, and more clearly specifies the agent of action.
2. Be specific rather than general whenever possible. A phrase such as, "We need to arrange contingencies to reinforce desired behaviors" communicates little. Instead, tell who needs to do what so that a reader can visualize the action described.
3. Back up assertions. Statements such as "There is a growing trend in . . ." leave a reader asking "Why do you say that?" Document with examples or data.
4. Avoid overuse of the weak verbs "to be" or "to have" as the main verb of the sentence. Avoid use of indefinite pronouns as the subjects of sentences (e.g., "It is . . .," "This is . . ." or "There are . . .").
5. Refer to the American Psychological Association Publication Manual (5th ed.) for further guidelines regarding manuscript organization, writing and editorial style, references, and typing.

## MANUSCRIPT FORMAT

1. Prepare your manuscript in the form used by the American Psychological Association Publication Manual (5th ed.).
2. Type all sections double-spaced, including title, footnotes, and table headings. Put each table or figure on a labeled separate sheet. DO NOT enclose glossy black and white photographs of figures or illustrations.
3. Only underline words to be set in italics.

## ARTICLES

Articles generally range in length from 15 to 25 double-spaced manuscript pages (excluding references). Include an abstract with the submission.

## ON BOOKS

Suitable length for book reviews and commentary is 10 to 20 double-spaced manuscript pages.

## ON TERMS

A length of two to five double-spaced manuscript pages is suitable.

## IN RESPONSE

We encourage readers to submit comments in response to articles published in

*The Behavior Analyst* or in other journals with which our readers are likely to be familiar. Manuscript copy should not be longer than two double-spaced pages.

## OTHER SUBMISSIONS

If you have something you feel would interest our readers, please submit it even if it does not belong in any of the above categories.

Address manuscripts to:

Society for the Advancement of Behavior Analysis

## SABA Experimental Analysis of Behavior Fellowship

Application Deadline: March 1, 2003

### Origin

In 2000, the Board of the Society for the Advancement of Behavior Analysis created a fellowship from its Endowment to encourage study in the experimental analysis of behavior. The SABA endowment is funded from many generous donations from members of the Association for Behavior Analysis.

### Fellowship Objective

The SABA Experimental Analysis of Behavior Fellowship provides a grant for one student per year in a doctoral program in psychology or behavior analysis, in which it is possible to conduct research in the experimental analysis of behavior. For the academic year of 2003-2004 the Fellowship will provide a grant of \$2,000. The recipient may apply for renewal of the Fellowship for one additional year.

### Criteria for Applicants

#### *GPA and Letters of Recommendation*

Applicants must have a high Grade Point Average (GPA) or equivalent, and must obtain at least two letters of recommendation in support of their application.

#### *Professional Commitment*

Applicants must be committed to the study and research of the experimental analysis of behavior.

#### *Academic Level*

Applicants must be enrolled or have been accepted as a student in a doctoral program in a department of psychology or behavior analysis, in which there are a sufficient number of behaviorally oriented faculty members to sponsor and supervise research.

***Applicants may not apply for the Bijou Fellowship and the SABA Experimental Fellowship in the same year***

#### *Geographical Constraints*

There are no constraints on the recipient's nationality or on the country in which the university is located.

### Selection Procedure

The SABA Board of Directors constitutes the Fellowship Selection Committee. The SABA Board consists of the full members of the ABA Executive Council and SABA's Secretary-Treasurer.

The Fellowship Selection Committee will select the applicant at the spring Board Meeting. The Fellowship recipient will be announced during the SABA Awards Ceremony at the opening event of the ABA Convention, and the recipient's name will be published in *The ABA Newsletter*.

### Application Procedure

#### *Application Documents*

Those students who are interested in applying for the *SABA Experimental Analysis of Behavior Fellowship Program* should submit the following documents to the SABA office:

- ◆ A résumé or curriculum vitae.
- ◆ A one-page, typed description of professional objectives.
- ◆ A description of the doctoral program in which the applicant is enrolled, including a list of courses in the experimental analysis of behavior with instructors' names, and a list of topics currently being investigated, if any.
- ◆ A transcript or other record of GPA or grades.
- ◆ Two letters of recommendation.

#### *Deadline for Submissions*

Fellowship applications for the 2003-2004 academic year must be received at the SABA office by March 1, 2003.
